ABOUT US

Al-Wefaq National Transport (WNT) is a company owned by Al-Wefaq Saudi Holding. WNT was established in 2014, and since then, we started a long journey of achievements. we became a leading transportation company operating in KSA and Egypt, with a variety of services including door-to-door automobile service for individuals and companies, that excels at getting people to and from Airports and Seaports.

We provide our customers with complete, and highly efficient transport solutions and a great fleet to fit their requirements. WNT is committed to provide our customers with very professional services, that meet their transportation requirements and even exceed their expectations.

Our drivers also are highly experienced, trained, and have the ability to handle any challenges, so you can ensure all your loads are safe and will arrive exactly on time. and without loss of damages

OUR MISSION

Your success is our mission. We know that time costs money, so we are working so hard to deliver all your loads as fast as we can. In our work, we are guided by our values of honesty, integrity, safety, trust, and care. We constantly provide excellent customer satisfaction, and we are dedicated to a safe and fulfilling work environment that is necessary for our owners, partners, and workers to succeed over the long term.

OUR VISION

WNT is a leading transportation business, operating in KSA and Egypt. We are looking forward to being a regional company, recognized in MENA, serving more clients, providing them with high-quality transportation services, and setting high-level standards in the industry. We also look forward to exceeding our customers' expectations, via prompt communication, excellent service, and correct information provided by a skilled workforce.

OUR SERVICES

Trucks/ Fleet Tracking

You will also have the ability to track your dedicated fleet, and its status easily and privately on the website at any time.

Automobile Shipping

WNT is here to support you always and forever. We offer our clients customized contract solutions depending on their requirements, complete with top-notch technology, round-the-clock monitoring, and customer support personnel.

Goods Shipping

We believe that we are your success partners, so we support your opportunities, to grow. Our specialized trucks and trailers are available to transport all your goods and any special equipment.

OUR NETWORK

WNT operates in the Middle East region, mainly in Saudi Arabia, and Egypt, so you can count on WNT us in importing and exporting from both destinations We also provide you with a tracking system, that enables you to track your loads, wherever they are, and make sure they are safe, without any flaws Every team member is highly trained and ready to do his best..

OUR **STAFF**

Professional staff and experienced drivers provide the right mix of operational experience and passion which guarantees to provide the best transportation services.

Our professional drivers are highly experienced. They always ensure security and safety for our valued customers.

Drivers undergo psychological, physical, and drug tests in order to ensure our employees are the right fit for the job.

Our Staff makes sure loading/unloading is being carried out safely pertaining to regional standards.

OUR OPERATION TEAM

In order to have productive operations, our operation team works round the clock in a well-equipped control room.

All our customers are entertained with live monitoring service to ensure the utmost safety to all the loads of our customers.

Our interdisciplinary staff works in rotating shifts to give you round-the-clock service and guarantee that all of your loads will arrive at the scheduled time.

WHY CHOOSE US?

Throughout the years, our experience in the field of transportation has enabled us to be a dynamic and preferred partner for so many companies and individuals. We take pride in establishing long-lasting, trust-and integrity-based relationships with our clients, partners, and suppliers. Quality is what we are looking forward to providing you with, becoming the MENA's preferred transportation company, and sharing with you the growth of your business and society. We provide service to every port and route in the region of KSA and Egypt, so you can find us near you. We also offer you perfect handling of all the different types of materials you want to deliver. We can produce the necessary clearing papers and will transport your cargo across all destinations from the loading point to the offloading point. WNT is a perfect match for what you need in the transportation world, and we are looking forward to starting a successful journey and long cooperation with us soon.
